DRAFT MINUTES

1. Call to Order and Pledge of Allegiance

Ken Sinn called the meeting to order at 1:00 p.m. Pete Stong led the Pledge of Allegiance.

Roll Call

Stephanie Newbrook called Roll Call. Members present were Jean Cecil, Al Fournier, Char Jackowitcz, Stephanie Newbrook, Janet Plant, Ken Sinn, Jerie St. Germain and Pete Stong. Antoinette Olson was excused. Recording Secretary Stephanie Newbrook verified there was a quorum present.

3. Agenda Review

A clarification was made that the attachment on Page 12 of the agenda packet, the "Budget Supporting Information" should read 12.H. instead of 12.F.

4. Approval of Minutes

A motion was made by Janet Plant and seconded by Al Fournier to approve the minutes of March 12, 2018. The minutes were approved by a consensus of the Executive Board.

5. Report of COA Chair

Mr. Sinn provided a report in Ms. Olson's absence. He talked about the recent Easter breakfast, noting that it was a very successful event with approximately 250 attendees. He also mentioned that new Medicare cards will be issued soon and cautioned the audience to be aware of Medicare card-related scams.

6. Representative Reports

A. City Council

Council Member Mike Judge reported that there is a new "Smart I.D." or "Real I.D." identification card available in California. California drivers are now being offered the new card, but residents have until 2020 before it is required. The reason for the new card is that the Federal government does not recognize a California driver's license as valid identification. Council Member Judge also stated that the Smashburger and Presto Pasta restaurants are now open. The Black Bear and the Green Acres Grill restaurants are still in progress. The Walmart store on Cochran Street near Sycamore Drive is closing, and there are still issues with the Simi Valley Town Center. The owners would like to build apartments and remove some of the existing retail space. The old Marie Callender's will

become the Mad Era Brewery and will make its own beer. Council Member Judge also encouraged audience members to attend Neighborhood Council meetings during which recreational vehicle parking ordinances will be discussed. This is important because the City Council will review any comments from the public on this issue and consider making changes to the current rules.

B. Community Services

No report.

C. Senior Center

Angel Sierra mentioned three upcoming April events: "Living within Your Means", a financial workshop for seniors on April 17, Free Nutritional Counseling, one-on-one sessions with a registered dietitian on April 17, and "Writing a Family Story", a free presentation on April 19. Reservations are required for these events.

D. Ventura County Area Agency on Aging

Angel Sierra stated that we have received the renewal application for our Senior Nutrition Program contract for congregate and home-delivered meals.

Char Jackowitcz reviewed the Balance Sheet (Page 9 of the agenda packet) and the Profit & Loss Budget vs. Actual (Page 10 of the agenda packet). She said that the "MOW Rst" on the Balance Sheet indicates money reserved for the Senior Nutrition Program. She also said \$25,000 in "Program Expense" on the Profit & Loss Statement is due to not yet paying support for the Senior Nutrition Program. Char Jackowitcz reported that the Senior Center has

received a letter asking that the COA consider replacing the temporary blinds with permanent blinds and the lighting in the Multi-Purpose Room (MPR). In response, the consensus of the Executive Board was to postpone considering the request until City-funded capital improvement projects that may impact the MPR are reviewed and considered.

3. Corresponding Secretary

Pete Stong reported that the COA received \$375 in donations last month, \$300 of which was designated for MOW. He sent a thank you letter to the Kiwanis for the putting on the Easter Breakfast.

3. Housing Liaison

4. Senior Kits

160 Senior Kits were distributed last month and the goal is still 175 and about 10 new recipients are being added every month. Council on Aging – Housing Liaison Report May 14, 2018

<u>Vintage at Sycamore – 1692 Sycamore Drive</u> (South of Ralph's) (UPDATED report from COA presentations in Oct/Nov 2017)

"Sycamore Landing" proposed project is a joint venture between USA Properties & the V. C. Area Housing Authority. The project includes two components on a total of 13.39 acres & includes a 311-unit multi-generational, mixed-income apartment home community:

- "Landing at Arroyo" 212 non-age-restricted market rate apartments (1 3 bedrooms)
- "Vintage at Sycamore" 99 one bedroom apartments, for low & very low income, for age 62+

Approval will require a General Plan Amendment, Specific Plan Amendment, zone change & a Planned Development permit. The project is currently scheduled to be presented to the Planning Commission on May 9, 2018.

The development cost of the senior project is estimated at \$30.5 million. The developer is seeking government financing through tax credits & further requests the City to provide up to \$3.5 million in a low-interest (3%) loan over 55 years. The affordable housing entitles the developers to other concessions, such as parking requirements.

On April 24, 2018, the Affordable Housing Subcommittee met with the developers to review their request for assistance. The committee is recommending that the City Council approve the loan for the senior portion of the project.

<u>Mountain View Apartments – 4862 Cochran</u> – between Tapo/Stearns This 50 unit senior complex for age 55+ opened in January 2018. All of the affordable units & many market-rate units were quickly rented but market-rate units are still available. If you were initially interested, check back with their rental office as they have reduced rents. Contact Debra Irish at 805-306-1103 or info@mountainviewsimi.com

CITY OF SIMI VALLEY • MEMORANDUM

DATE: May 10, 2018

TO: Council On Aging

FROM: Angel Sierra, Community Services Manager

SUBJECT: DISCUSSION/ACTION ON A REQUEST TO PURCHASE A

COMMERCIAL PREP TABLE/SINK AND INSTALLATION FOR THE SIMI VALLEY SENIOR CENTER KITCHEN AT A COST NOT TO

EXCEED \$7,000

City staff is requesting the Simi Valley Council On Aging (COA) purchase a new commercial prep table/sink for the Senior Center Main Kitchen. In June of 2017, the Senior Center Kitchen renovation project was completed. During the last few weeks of the project, it was discovered that because of modifications made to the location of appliances to meet Ventura County Environmental Health Department (VCEHD) requirements, the original sink/countertop would no longer provide adequate space for staff and volunteers to work pursuant to best practices. Staff has identified a new sink/countertop that would ensure a safe and functional work environment that will be approved by VCEHD. Staff obtained a bid for the new sink/countertop and installation (attached), which has come in at \$6,226.65. Staff has researched other potential funding sources for the purchase of this sink, including the Community Services Department budget and a request to the Ventura County Area Agency On Aging to subsidize the cost via the Senior Nutrition Program grant. The two aforementioned sources have both been determined not viable at this time.

The Senior Nutrition Program serves over 820 unduplicated clients and approximately 46,000 meals each year. The installation of this new sink/countertop will help ensure that staff and numerous volunteers continue to have safe environment to carry out their meal service duties and be able to maintain ongoing adherence to best practices. The sink/countertop is a key feature to the operation of the daily meal program at the Senior Center. This new sink/countertop will enhance program options, such as the ability to receive fresh produce, which requires additional counter space and a wash station that the current sink does not provide.

Staff requests that the COA approve the purchase of the new prep table/sink at a cost not to exceed \$7,000.
