She urged the City to adopt a protective Wireless Telecommunication Facilities ordinance.

6. Informational Presentation

Due to the unavailability of the presenter, the presentation was postponed until the April 2019 meeting.

b. City Youth Programs: Youth Council and Youth Employment Service (YES)

YES Advisory Board member Chris Connell began the informational presentation. He discussed the Youth Employment Service and its mission to prepare young people in Simi Valley to enter the workforce.

This is done through one-on-one advisement sessions, resume writing and interview skill workshops, and an annual Job and Career Expo.

Community Services Manager David Yoshitomi discussed the Youth Council program, which is an advisory board that reports all local matters concerning youth to the City Council. The Youth Council coordinates the Youth Town Hall, the Youth Summit, and awareness campaigns in areas like teen suicide prevention and anti-bullying.

Emily Habib informed the Executive Board that revisions to the City's Wireless Telecommunication Facilities ordinance would be discussed at the March 25, 2019 meeting and suggested that they read the staff report and attend the meeting.
