Waste Management Cancels Upcoming Simi Valley Free Landfill Day Event

Drop off event cancelled as precautionary measure due to COVID-19

SIMI VALLEY, CALIF. – MAY 6, 2020 – In response to the latest coronavirus (COVID-19) information from the Centers for Disease Control and Prevention (CDC) and other relevant federal, state and local agencies and experts, Waste Management is taking steps to protect the health and safety of our employees and customers.

The Simi Valley Landfill and Recycling will be closed on Sunday, May 17 and the following residential drop-off recycling program is cancelled:

Free Landfill Day for Simi Valley Residents Sunday, May 17, 2020

Waste Management invites the public to visit <https://www.wm.com/location/california/ventura-county/landfill/free-day.jsp> for updates on the re-instatement of its drop-off events. We look forward to continuing the services our customers expect in the future and when it is deemed more appropriate to host these events.

ABOUT WASTE MANAGEMENT

Waste Management, based in Houston, Texas, is the leading provider of comprehensive waste management environmental services in North America. Through its subsidiaries, the Company provides collection, transfer, disposal services, and recycling and resource recovery. It is also a leading developer, operator and owner of landfill gas-to-energy facilities in the United States. The Company's customers include residential, commercial, industrial, and municipal customers throughout North America.
