Other Housing Service Charges:	
<p>The City offers a variety of housing programs (i.e., Home Rehabilitation and Homebuyer Assistance Programs) to assist individuals and families in obtaining safe and affordable housing. To encourage individuals to apply for these loans, loan processing time at staff hourly billing rates is not charged but is absorbed by the Housing Successor Fund.</p>	
<p>To qualify individuals for these affordable housing programs, the City incurs certain direct costs to obtain credit and title reports. These direct costs are paid with a grant from the primary funding source as required by at least one program (HOME). To encourage participant interest in the City's housing programs, staff recommends continuation of the policy of not charging applicants for the direct costs of obtaining reports needed for loan and program qualification or the staff loan processing costs.</p>

NOTES:

1. 25% is for non-structural review as determined by the Building Official.
2. 45% is for structural review as determined by the Building Official.
3. Minor rounding differences may occur as the actual permits are based on a percentage of New Construction Fees
4. The plan check fee includes 3 reviews. Should there be more than 3 reviews, additional hourly fees will be charged based on current billable hourly rates for City reviews and actual hourly contracted rates for consultant reviews.
5. Where plans are incomplete or changed so as to require additional plan checks, an additional plan check fee shall be charged at the rate established by the fee schedule and minimum hours as determined by the Building Official.
