This permit authorizes only that work described hereon. Neither the issuance of this permit, nor the compliance with the provisions hereof or with any conditions imposed by this permit shall relieve any person from responsibility for damage to other persons or property nor impose any liability upon the City for damage to other persons or property. All attached addenda are a part of this permit. All modifications of this permit or of the approved grading plan must be approved by the City Engineer. In consideration for issuance of this permit, Permittee agrees to defend, indemnify, and hold harmless the City of Simi Valley and its respective boards, their officials, employees, representatives, and agents, from and against all claims, lawsuits, liabilities or damages arising out of or in connection with, or relating in any manner to any act or omission of Permittee, its agents, employees, and subcontractors of any tier and employees thereof in connection with the work authorized by this permit.

I hereby acknowledge that I have read this application and state that the above is correct, and that all excavation, grading and filling of land shall be in accordance with the approved plans, and that I am familiar with the applicable grading ordinances. In consideration of the City issuing this grading permit, the permittee agrees to comply with all provisions of this permit including the standard conditions and special conditions (see back of form)

_____ attached hereto.

 SIGNATURE/AUTHORIZED AGENT FOR PERMITTEE - DATE _____ CITY ENGINEER 8/ _____ DATE ISSUED

This permit expires 90 days after issuance except that permits issued for land development projects shall expire 12 months after issuance unless extension is granted by the City Engineer in writing upon request by permittee and payment of applicable fees.
