# JOIN TOGETHER AS A COMMUNITY IN HOME COMPOSTING AND RAINWATER HARVESTING

**Did you know**  
that having 1,000  
residents in your  
community, actively  
composting would  
divert 600,000 lbs of  
organic waste from  
going to local  
landfills per year?

**Did you know**  
that one inch of rain  
falling on a 1,000 sq. ft.  
roof harvests up to  
600 gallons of rainwater  
for use on your lawns  
and gardens without  
turning on a tap?

**Join us,  
Saturday, March 27, 2010  
9 am - 3 pm**

**Earth Machine™ Compost Bins  
and SYSTEMN Rain Barrels**  
will be available in the parking lot  
of the following locations:

**County of Ventura**  
Government Center  
800 S. Victoria Ave.  
Ventura 93009

**Moorpark College**  
(next to teaching zoo)  
7075 Campus Rd.  
Moorpark 93021
