January 27th – There was a Public Hearing Pre-Screening before City Council to consider a new proposal by RAVELLO HOLDINGS, INC. to build up to 182 housing units on the 15.40 acre site at the southeast corner of L.A. Ave/Madera Rd.

- 154 single-family houses, both attached & detached (moderate density)
- 28 apartments or townhomes (high density)
- All market rate but gearing toward entry level buyers
- No age-restricted units

This site was formerly approved in 2008 for 266 units (high density), but never built. That plan included:

- 55 single story living, age restricted condos – of various sizes/bedrooms
- Total 67 affordable units between senior/multifamily
- Universal Design to aid independent living

I requested that the 28 high density units be considered for age-restricted rental apartments & sited the lack of availability in Simi. Council members Steve Sojka & Glen Becerra requested the developer to consider the possibility of a senior component & Mayor Huber also mentioned the Affordable Housing Sub-Committee as a process to determine if any affordable units can be included.

The council unanimously voted to let the project proceed through the formal application process.

January 28th – Senior Concerns hosted a presentation, “Creative Housing Choices for the Second Half”. The evening workshop was an ongoing commitment to provide life-planning education for seniors.

As we age, housing is a complex picture that demands creative, flexible, affordable & easy, adaptable solutions. Some topics included:

- Dangers of waiting until a crisis to investigate choices
- Hidden dangers of staying-put in the paid-off family home
- Understanding housing vocabulary terms, i.e., Co-Housing, Continuing Care Retirement Communities etc.
- Exercise packet to help seniors figure out what they want/need most in future housing (*See me for copies of this packet*)

Public Housing Waiting List opened on Feb 3rd:

The Area Housing Authority of Ventura County is now accepting applications – only from very low income individuals or families. Combined income, adjusted for size, must not exceed 50% of the County Median Income limit. Simi Valley does not have any Public Housing, however, anyone wishing to apply for any county units can now apply. Qualified applicants will be placed in ranking order by date/time of receipt.

Applications can be downloaded from the AHA website or picked up at various locations.

CALIFORNIA SENIOR LEGISLATURE FACT SHEET

In 1980, the State Legislature requested the California Commission on Aging to develop a forum through which older Californians could develop their legislative priorities. After consultation with major seniors' groups, the Commission and the State Legislature convened the first session of the California Senior Legislature (CSL) in 1981.

The CSL is a non-partisan, volunteer organization made up of 120 elected members, 60 years of age and older. The 40 Senior Senators and 80 Senior Assembly Members are elected by their peers to represent seniors throughout the state. Elections are coordinated by the 33 Area Agencies on Aging every four years. Any person 60 years of age or older, who is a registered voter and a permanent resident of his/her Planning and Service Area, is eligible to run for the CSL.

The CSL gives senior citizens the opportunity to become familiar with the legislative process through actual involvement, and provides them a forum to present their legislative priorities to the State Legislature.

Each October, the CSL meets in Sacramento to convene a legislative session in the chambers and hearing rooms of the State Capitol. During the session, CSL members participate in presenting and hearing testimony, debating issues and voting approval or disapproval of their senior legislative proposals. Of the approved proposals, the members adopt 10 state and 4 federal priorities, which then receive special attention throughout the year.

Senior Legislators seek state lawmakers to author the CSL priority proposals and then work through the year to ensure adoption of the legislative bills. Since its inception, the CSL has had an excellent track record of accomplishments with better than 45 percent of its priority proposals enacted into law.

The Joint Rules Committee (JRC) has twelve members. During the Annual Legislative Session, five Assembly Members are elected in odd-numbered years and five Senators are elected in even-numbered years, each for four-year terms. The Chair of the Legislative Committee is an ex officio voting member and the Immediate Past-Chair of the JRC is an ex officio non-voting member. The JRC meets no less than six times and the Legislative Committee meets no less than four times annually.

The CSL is funded by the California Fund for Senior Citizens, a voluntary donation check-off item on the California State Income Tax Form. Donations are also made through its CSL/California Foundation on Aging Fund. For additional information, contact the California Senior Legislature, 1020 N Street, Room 513, Sacramento, CA 95814, phone (916) 552-8056 or Fax (916) 552-8013.
