ATTEST:

Brian P. Gabler, Oversight Board Secretary

**SUCCESSOR AGENCY TO THE SIMI VALLEY
COMMUNITY DEVELOPMENT AGENCY
LONG RANGE PROPERTY MANAGEMENT PLAN**

The Successor Agency to the former Simi Valley Community Development Agency (SVCDA) is required by Assembly Bills 1x26 and 1484 (the Dissolution Act) to prepare a Long Range Property Management Plan (Plan) that addresses the disposition and use of the properties of the former SVCDA. The Plan must be submitted to the Oversight Board and the California Department of Finance (DOF) for approval no later than six months following the issuance of the Finding of Completion to the Successor Agency. The Successor Agency to the SBCDA was issued its Finding of Completion on April 26, 2013.

The Dissolution Act establishes a Community Redevelopment Property Trust Fund (Fund), administered by the Successor Agency, to serve as the repository of the former SVCDA's real properties upon approval of the Plan by the DOF. Properties retained for governmental use and implementation of a redevelopment plan will be transferred from the Fund to the City of Simi Valley (City), while properties retained for future disposition will remain in the Fund pursuant to the Plan. The Successor Agency must receive prior approval by the Oversight Board for each property transfer or disposition. Oversight Board approval is subject to DOF review.

The Plan addresses the disposition and use of the real properties of the SVCDA and include an inventory of all properties in the Fund. The inventory shall consist of the following information:

- The date of the acquisition of the property and the value of the property at that time, and an estimate of the current value of the property;
- The purpose for which the property was acquired;
- Parcel data, including address, lot size, and current zoning in the former redevelopment plan or specific plan, community or general plan;
- An estimate of the current value of the parcel including, if available, any appraisal information;
- An estimate of any lease, rental, or any other revenues generated by the property, and a description of the contractual requirements for the disposition of those funds;
- The history of environmental contamination, including designation as a brownfield site, any related environmental studies, and history of any remediation;
- A description of the property's potential for transit oriented development and the advancement of the planning objectives of the successor agency;
- A brief history of previous development proposals and activity, including the rental or lease of property;
- Address the use or disposition of all of the properties in the Fund. Permissible uses include the retention of the property for governmental use, the retention of

the property for future development, the sale of the property, or the use of the property to fulfill an enforceable obligation. The Fund shall separately identify and list properties in the Fund dedicated to governmental use purposes and properties retained for purposes of fulfilling an enforceable obligation. With respect to the use or disposition of all other properties, all the following shall apply:

- If the Plan directs the use or liquidation of the property for a project identified in an approved redevelopment plan, the property shall transfer to the City.
- If the Plan directs the liquidation of the property or the use of revenues generated from the property, such as lease or parking revenues, for any purpose other than to fulfill an enforceable obligation or other than that specified immediately above, the proceeds from the sale shall be distributed as property tax to the taxing entities.

The Plan prepared for the SVCDA identifies nine properties, all of which are recommended to be retained for governmental uses. Of the nine, five are not and have never been in title of the SVCDA. These properties were misclassified in the SVCDA's accounting as being assets of the SVCDA however the properties were acquired by the City of Simi Valley, four were acquired prior to the formation of the SVCDA in 1974, and all have remained under City ownership. Although the Successor Agency engaged the DOF in a Meet and Confer process to clarify the ownership, the DOF directed the Successor Agency to "reverse the improper transfers, recover the assets, and include these properties in its Long Range Property Management Plan".

Current values in the Plan were derived from CoStar Realty Information, a nationwide real estate service company. The average land value in Ventura County from 2Q2008 to 3Q2013 is \$19 to 34 per square foot and average building value is \$161 per square foot. For land value, the average of \$26.50 was utilized.

Property A

Current Owner/Title: City of Simi Valley
Transfer to City of Simi Valley for Governmental Use

The date of the acquisition of the property and the value of the property at that time, and an estimate of the current value of the property

- Property was acquired by the City of Simi Valley in October 1987 from Lloyd and Geraldine McMullen
- Purchase price of \$215,000
- Current estimate of value - \$1,131,253 (\$26.50/square foot)

The purpose for which the property was acquired

Property was acquired for the planned expansion of the Simi Valley Civic Center and the Simi Valley Senior Citizens' Center. Property is located on Avenida Simi at the north side of the Simi Valley Civic Center. The secondary access for the County of Ventura East County Courthouse is through this property. The property also provides surface public parking legally required through the development approvals for the Simi Valley Senior Citizens' Center. Property to the south, west, and east of this property is under government ownership and the property fronts on the north to public right-of-way Avenida Simi.

Parcel data, including address, lot size, and current zoning in the former redevelopment plan or specific plan, community or general plan

- 616-0-080-24
- Formerly 3810 Avenida Simi, Simi Valley, CA
- Parcel is .98 acres
- Zoning is RM (Residential Medium)

An estimate of the current value of the parcel including, if available, any appraisal information

Current estimate of value is \$1,131,2563. Property is part of a development application approved for the construction of the Simi Valley Senior Citizens' Center. Because the property is part of this development application, the property is unavailable for future development. The parcel is fully encumbered, is not developable, and provides required parking for the Senior Citizens' Center and is being use for a public purpose. No known appraisals exist for this property.

An estimate of any lease, rental, or any other revenues generated by the property, and a description of the contractual requirements for the disposition of those funds

No revenues are generated from this property

The history of environmental contamination, including designation as a brownfield site, any related environmental studies, and history of any remediation

No record of environmental studies

A description of the property's potential for transit oriented development and the advancement of the planning objectives of the successor agency

There is currently a Simi Valley Transit bus turnout on the property. The property has no other potential for a transit-oriented development as the property is not of adequate size to accommodate a transit-oriented development and is not located adjacent to a fully integrated, multi-modal transportation network.

A brief history of previous development proposals and activity, including the rental or lease of property

Prior to the acquisition by the City of Simi Valley, the property had a single family detached residence. Housing unit was relocated to another location in Simi Valley. The County of Ventura has an easement over the property for use as a secondary access for ingress and egress from the County of Ventura East County Courthouse.

Address the use or disposition of all of the properties in the Fund.

Disposition of the property is the transfer to City of Simi Valley for governmental use as public parking and access to the County of Ventura East County Courthouse and Simi Valley Senior Citizens' Center. The property was acquired in 1987 by the City of Simi Valley and the City still holds title to this property. The property was misclassified in the City of Simi Valley and SVCDA audits as being under ownership of the SVCDA. Continued use will protect ingress/egress to the Simi Valley Senior Citizens' Center.

The property was subdivided into two parcels and the northern portion of the property was transferred to the County of Ventura for the development of a public library. At this time, the Simi Valley Public Library remains on the north portion of the property (under ownership of the County of Ventura) and Simi Valley City Hall and a portion of the Simi Valley Police Facility is located on the south (under ownership of the City of Simi Valley). The properties contain the respective buildings for their uses, required surface public parking, and common areas. The north and east property lines are public rights-of-way (Avenida Simi and Tapo Canyon Road respectively), to the south and west are under ownership of the City of Simi Valley.

An estimate of any lease, rental, or any other revenues generated by the property, and a description of the contractual requirements for the disposition of those funds

No revenues are generated to the City of Simi Valley or the Successor Agency from this property. City of Simi Valley is leasing the northern parcel (Simi Valley Public Library) from the County of Ventura at a lease rate of \$60,000 per year.

The history of environmental contamination, including designation as a brownfield site, any related environmental studies, and history of any remediation

No record of environmental studies

A description of the property's potential for transit oriented development and the advancement of the planning objectives of the successor agency

There are currently two Simi Valley Transit bus turnouts on the east side of the property on Tapo Canyon Road. The property has no other potential for a transit-oriented development.

A brief history of previous development proposals and activity, including the rental or lease of property

Property was vacant at time of acquisition and use for farming.

Address the use or disposition of all of the properties in the Fund.

Disposition of the property is the transfer to City for governmental use as public parking and continued use as the Simi Valley Public Library and Simi Valley City Hall. The property was acquired in 1972 by the City of Simi Valley and the City still holds title to the southern portion of the property. As the SVCDA was not formed until 1974, the property could not have been acquired by the SVCDA. The property was misclassified in the City of Simi Valley and SVCDA audits as being under ownership of the SVCDA. The southern portion of the property is to remain under the ownership of the City of Simi Valley for use as Simi Valley City Hall. The northern portion of the property will remain under ownership of the County of Ventura for use as a public library.

CONDITIONS AND STIPULATIONS

1. DEFINITION OF TERMS

The following terms when used in this policy mean:

(a) "land": the land described, specifically or by reference, in Schedule C and improvements affixed thereto which by law constitute real property;

(b) "public records": those records which impart constructive notice of matters relating to said land;

(c) "knowledge": actual knowledge, not constructive knowledge or notice which may be imputed to the Insured by reason of any public records;

(d) "date": the effective date;

(e) "mortgage": mortgage, deed of trust, trust deed, or other security instrument; and

(f) "insured": the party or parties named as Insured, and if the owner of the indebtedness secured by a mortgage shown in Schedule B is named as an Insured in Schedule A, the Insured shall include (1) each successor in interest in ownership of such indebtedness, (2) any such owner who acquires the estate or interest referred to in this policy by foreclosure, trustee's sale, or other legal manner in satisfaction of said indebtedness, and (3) any federal agency or instrumentality which is an insurer or guarantor under an insurance contract or guaranty insuring or guaranteeing said indebtedness, or any part thereof, whether named as an insured herein or not, subject otherwise to the provisions hereof.

2. BENEFITS AFTER ACQUISITION OF TITLE

If an insured owner of the indebtedness secured by a mortgage described in Schedule B acquires said estate or interest, or any part thereof, by foreclosure, trustee's sale, or other legal manner in satisfaction of said indebtedness, or any part thereof, or if a federal agency or instrumentality acquires said estate or interest, or any part thereof, as a consequence of an insurance contract or guaranty insuring or guaranteeing the indebtedness secured by a mortgage covered by this policy, or any part thereof, this policy shall continue in force in favor of such Insured, agency or instrumentality, subject to all of the conditions and stipulations hereof.

3. EXCLUSIONS FROM THE COVERAGE OF THIS POLICY

This policy does not insure against loss or damage by reasons of the following:

(a) Any law, ordinance or governmental regulation (including but not limited to building and zoning ordinances) restricting or regulating or prohibiting the occupancy, use or enjoyment of the land, or regulating the character, dimensions, or location of any improvement now or hereafter erected on said land, or prohibiting a separation in ownership or a reduction in the dimensions or area of any lot or parcel of land.

(b) Governmental rights of police power or eminent domain unless notice of the exercise of such rights appears in the public records at the date hereof.

(c) Title to any property beyond the lines of the land expressly described in Schedule C, or title to streets, roads, avenues, lanes, ways or waterways on which

such land abuts, or the right to maintain therein vaults, tunnels, ramps or any other structure or improvement, or any rights or easements therein unless this policy specifically provides that such property, rights or easements are insured, except that if the land abuts upon one or more physically open streets or highways this policy insures the ordinary rights of abutting owners for access to one of such streets or highways, unless otherwise excepted or excluded herein.

(d) Defects, liens, encumbrances, adverse claims against the title as insured or other matters (1) created, suffered, assumed or agreed to by the Insured claiming loss or damage; or (2) known to the Insured Claimant either at the date of this policy or at the date such Insured Claimant acquired an estate or interest insured by this policy and not shown by the public records, unless disclosure thereof in writing by the Insured shall have been made to the Company prior to the date of this policy; or (3) resulting in no loss to the Insured Claimant; or (4) attaching or created subsequent to the date hereof.

(e) Loss or damage which would not have been sustained if the Insured were a purchaser or encumbrancer for value without knowledge.

4. DEFENSE AND PROSECUTION OF ACTIONS — NOTICE OF CLAIM TO BE GIVEN BY THE INSURED

(a) The Company, at its own cost and without undue delay shall provide (1) for the defense of the Insured in all litigation consisting of actions or proceedings commenced against the Insured, or defenses, restraining orders, or injunctions interposed against a foreclosure or sale of the mortgage and indebtedness covered by this policy or a sale of the estate or interest in said land; or (2) for such action as may be appropriate to establish the title of the estate or interest or the lien of the mortgage as insured, which litigation or action in any of such events is founded upon an alleged defect, lien or encumbrance insured against by this policy, and may pursue any litigation to final determination in the court of last resort.

(b) In case any such action or proceeding shall be begun, or defense interposed, or in case knowledge shall come to the Insured of any claim of title or interest which is adverse to the title of the estate or interest or lien of the mortgage as insured, or which might cause loss or damage for which the Company shall or may be liable by virtue of this policy, or if the Insured shall in good faith contract to sell the indebtedness secured by a mortgage covered by this policy, or, if an Insured in good faith leases or contracts to sell, lease or mortgage the same, or if the successful bidder at a foreclosure sale under a mortgage covered by this policy refuses to purchase and in any such event the title to said estate or interest is rejected as unmarketable, the Insured shall notify the Company thereof in writing. If such notice shall not be given to the Company within ten days of the receipt of process or pleadings or if the Insured shall not, in writing, promptly notify the Company of any de-

fect, lien or encumbrance insured against which shall come to the knowledge of the Insured, or if the Insured shall not, in writing, promptly notify the Company of any such rejection by reason of claimed unmarketability of title, then all liability of the Company in regard to the subject matter of such action, proceeding or matter shall cease and terminate; provided, however, that failure to notify shall in no case prejudice the claim of any Insured unless the Company shall be actually prejudiced by such failure and then only to the extent of such prejudice.

(c) The Company shall have the right at its own cost to institute and prosecute any action or proceeding or do any other act which in its opinion may be necessary or desirable to establish the title of the estate or interest or the lien of the mortgage as insured; and the Company may take any appropriate action under the terms of this policy whether or not it shall be liable thereunder and shall not thereby concede liability or waive any provision of this policy.

(d) In all cases where this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding, the Insured shall secure to it the right to so prosecute or provide defense in such action or proceeding, and all appeals therein, and permit it to use, at its option, the name of the Insured for such purpose. Whenever requested by the Company the Insured shall give the Company all reasonable aid in any such action or proceeding, in effecting settlement, securing evidence, obtaining witnesses, or prosecuting or defending such action or proceeding, and the Company shall reimburse the Insured for any expense so incurred.

5. NOTICE OF LOSS — LIMITATION OF ACTION

In addition to the notices required under paragraph 4(b), a statement in writing of any loss or damage for which it is claimed the Company is liable under this policy shall be furnished to the Company within sixty days after such loss or damage shall have been determined, and no right of action shall accrue to the Insured under this policy until thirty days after such statement shall have been furnished, and no recovery shall be had by the Insured under this policy unless action shall be commenced thereon within five years after expiration of said thirty day period. Failure to furnish such statement of loss or damage, or to commence such action within the time hereinbefore specified, shall be a conclusive bar against maintenance by the Insured of any action under this policy.

6. OPTION TO PAY, SETTLE OR COMPROMISE CLAIMS

The Company shall have the option to pay or settle or compromise for or in the name of the Insured any claim insured against or to pay the full amount of this policy, or, in case loss is claimed under this policy by the owner of the indebtedness secured by a mortgage covered by this policy, the Company shall have the option to purchase said indebtedness; such purchase, payment or tender of payment of

CONDITIONS AND STIPULATIONS (Continued and Concluded From Reverse Side of Policy Face)

the full amount of this policy, together with all costs, attorneys' fees and expenses which the Company is obligated hereunder to pay, shall terminate all liability of the Company hereunder. In the event, after notice of claim has been given to the Company by the Insured, the Company offers to purchase said indebtedness, the owner of such indebtedness shall transfer and assign said indebtedness and the mortgage securing the same to the Company upon payment of the purchase price.

7. PAYMENT OF LOSS

(a) The liability of the Company under this policy shall in no case exceed, in all, the actual loss of the Insured and costs and attorneys' fees which the Company may be obligated hereunder to pay.

(b) The Company will pay, in addition to any loss insured against by this policy, all costs imposed upon the Insured in litigation carried on by the Company for the Insured, and all costs and attorneys' fees in litigation carried on by the Insured with the written authorization of the Company.

(c) No claim for damages shall arise or be maintainable under this policy (1) if the Company, after having received notice of an alleged defect, lien or encumbrance not excepted or excluded herein removes such defect, lien or encumbrance within a reasonable time after receipt of such notice, or (2) for liability voluntarily assumed by the Insured in settling any claim or suit without written consent of the Company, or (3) in the event the title is rejected as unmarketable because of a defect, lien or encumbrance not excepted or excluded in this policy, until there has been a final determination by a court of competent jurisdiction sustaining such rejection.

(d) All payments under this policy, except payments made for costs, attorneys' fees and expenses, shall reduce the amount of the insurance pro tanto and no payment shall be made without producing this policy for endorsement of such payment unless the policy be lost or destroyed, in which case proof of such loss or destruction shall be furnished to the satisfaction of the Company; provided, however, if the owner of

an indebtedness secured by a mortgage shown in Schedule B is an Insured herein then such payments shall not reduce pro tanto the amount of the insurance afforded hereunder as to such Insured, except to the extent that such payments reduce the amount of the indebtedness secured by such mortgage. Payment in full by any person or voluntary satisfaction or release by the Insured of a mortgage covered by this policy shall terminate all liability of the Company to the insured owner of the indebtedness secured by such mortgage, except as provided in paragraph 2 hereof.

(e) When liability has been definitely fixed in accordance with the conditions of this policy the loss or damage shall be payable within thirty days thereafter.

8. LIABILITY NONCUMULATIVE

It is expressly understood that the amount of this policy is reduced by any amount the Company may pay under any policy insuring the validity or priority of any mortgage shown or referred to in Schedule B hereof or any mortgage hereafter executed by the Insured which is a charge or lien on the estate or interest described or referred to in Schedule A, and the amount so paid shall be deemed a payment to the Insured under this policy. The provisions of this paragraph numbered 8 shall not apply to an Insured owner of an indebtedness secured by a mortgage shown in Schedule B unless such Insured acquires title to said estate or interest in satisfaction of said indebtedness or any part thereof.

9. SUBROGATION UPON PAYMENT OR SETTLEMENT

Whenever the Company shall have settled a claim under this policy, all right of subrogation shall vest in the Company unaffected by any act of the Insured, and it shall be subrogated to and be entitled to all rights and remedies which the Insured would have had against any person or property in respect to such claim had this policy not been issued. If the payment does not cover the loss of the Insured, the Company shall be subrogated to such rights and remedies in the proportion which said payment bears to the amount of said loss. If

loss should result from any act of the Insured, such act shall not void this policy, but the Company, in that event, shall be required to pay only that part of any losses insured against hereunder which shall exceed the amount, if any, lost to the Company by reason of the impairment of the right of subrogation. The Insured, if requested by the Company, shall transfer to the Company all rights and remedies against any person or property necessary in order to perfect such right of subrogation, and shall permit the Company to use the name of the Insured in any transaction or litigation involving such rights or remedies.

If the Insured is the owner of the indebtedness secured by a mortgage covered by this policy, such Insured may release or substitute the personal liability of any debtor or surety, or extend or otherwise modify the terms of payment, or release a portion of the estate or interest from the lien of the mortgage, or release any collateral security for the indebtedness, provided such act does not result in any loss of priority of the lien of the mortgage.

10. POLICY ENTIRE CONTRACT

Any action or action or rights of action that the Insured may have or may bring against the Company arising out of the status of the lien of the mortgage covered by this policy or the title of the estate or interest insured herein must be based on the provisions of this policy.

No provision or condition of this policy can be waived or changed except by writing endorsed hereon or attached hereto signed by the President, a Vice President, the Secretary, an Assistant Secretary or other validating officer of the Company.

11. NOTICES, WHERE SENT

All notices required to be given the Company and any statement in writing required to be furnished the Company shall be addressed to it at the office which issued this policy or to its Home Office, 433 South Spring Street, Los Angeles 34, California.

12. THE PREMIUM SPECIFIED IN SCHEDULE A IS THE ENTIRE CHARGE FOR TITLE SEARCH, TITLE EXAMINATION AND TITLE INSURANCE.

- Purchase price of \$113,687
- Current estimate of value - \$15,335,202 (\$161 psf building; \$26.50 psf land)

The purpose for which the property was acquired

Property was acquired for the planned development of the Simi Valley Civic Center. At the time of acquisition by the City of Simi Valley, the property was one parcel located on Avenida Simi with the bulk of the property south of the Avenida Simi right-of-way. The property was subsequently subdivided to create Parcel A of the Plan.

The property currently contains the Simi Valley Senior Citizen's Center facility, required surface parking for the Senior Center, required surface parking for the Simi Valley Police Facility, and public open space under use as a Civic Center park and a required stormwater detention area. The north property line is public right-of-way (Avenida Simi) and properties to the south, west and east are under ownership of the City of Simi Valley and the County of Ventura.

Parcel data, including address, lot size, and current zoning in the former redevelopment plan or specific plan, community or general plan

- APNs 616-0-080-45; at acquisition, the APN was 616-0-080-05
- Parcel at acquisition was 9.68 acres
- Zoning is CC (Civic Center Zone)
- Street Address for the Simi Valley Senior Citizens' Center is 3900 Avenida Simi

An estimate of the current value of the parcel including, if available, any appraisal information

Current estimate of value is \$15,335,202. Property is part of a development application approved for the construction of the Simi Valley Senior Citizens' Center. Because the property is part of this development application, the property is unavailable for future development. The parcel is fully encumbered, is not developable, provides required parking for the Senior Citizens' Center, and is being use for a public purpose. No known appraisals exist for this property.

An estimate of any lease, rental, or any other revenues generated by the property, and a description of the contractual requirements for the disposition of those funds

No revenues are generated from this property.

The history of environmental contamination, including designation as a brownfield site, any related environmental studies, and history of any remediation

No record of environmental studies

A description of the property's potential for transit oriented development and the advancement of the planning objectives of the successor agency

The property has no potential for a transit-oriented development.

A brief history of previous development proposals and activity, including the rental or lease of property

Property was vacant at time of acquisition and use for farming.

Address the use or disposition of all of the properties in the Fund.

Disposition of the property is the transfer to City for governmental use as public parking and continued use as the Simi Valley Senior Citizens' Center and required surface public parking for other Civic Center facilities. The property was acquired in 1972 by the City of Simi Valley and the City still holds title to this property. As the SVCDA was not formed until 1974, the property could not have been acquired by the SVCDA. The property was misclassified in the City of Simi Valley and SVCDA audits as being under ownership of the SVCDA. The property is to remain under the ownership of the City of Simi Valley.

CONDITIONS AND STIPULATIONS

1. DEFINITION OF TERMS

The following terms when used in this policy mean:

(a) "land": the land described, specifically or by reference, in Schedule C and improvements affixed thereto which by law constitute real property;

(b) "public records": those records which impart constructive notice of matters relating to said land;

(c) "knowledge": actual knowledge, not constructive knowledge or notice which may be imputed to the Insured by reason of any public records;

(d) "date": the effective date;

(e) "mortgage": mortgage, deed of trust, trust deed, or other security instrument; and

(f) "insured": the party or parties named as Insured, and if the owner of the indebtedness secured by a mortgage shown in Schedule B is named as an Insured in Schedule A, the Insured shall include (1) each successor in interest in ownership of such indebtedness, (2) any such owner who acquires the estate or interest referred to in this policy by foreclosure, trustee's sale, or other legal manner in satisfaction of said indebtedness, and (3) any federal agency or instrumentality which is an insurer or guarantor under an insurance contract or guaranty insuring or guaranteeing said indebtedness, or any part thereof, whether named as an insured herein or not, subject otherwise to the provisions hereof.

2. BENEFITS AFTER ACQUISITION OF TITLE

If an insured owner of the indebtedness secured by a mortgage described in Schedule B acquires said estate or interest, or any part thereof, by foreclosure, trustee's sale, or other legal manner in satisfaction of said indebtedness, or any part thereof, or if a federal agency or instrumentality acquires said estate or interest, or any part thereof, as a consequence of an insurance contract or guaranty insuring or guaranteeing the indebtedness secured by a mortgage covered by this policy, or any part thereof, this policy shall continue in force in favor of such Insured, agency or instrumentality, subject to all of the conditions and stipulations hereof.

3. EXCLUSIONS FROM THE COVERAGE OF THIS POLICY

This policy does not insure against loss or damage by reasons of the following:

(a) Any law, ordinance or governmental regulation (including but not limited to building and zoning ordinances) restricting or regulating or prohibiting the occupancy, use or enjoyment of the land, or regulating the character, dimensions, or location of any improvement now or hereafter erected on said land, or prohibiting a separation in ownership or a reduction in the dimensions or area of any lot or parcel of land.

(b) Governmental rights of police power or eminent domain unless notice of the exercise of such rights appears in the public records at the date hereof.

(c) Title to any property beyond the lines of the land expressly described in Schedule C, or title to streets, roads, avenues, lanes, ways or waterways on which

such land abuts, or the right to maintain therein vaults, tunnels, ramps or any other structure or improvement; or any rights or easements therein unless this policy specifically provides that such property, rights or easements are insured, except that if the land abuts upon one or more physically open streets or highways this policy insures the ordinary rights of abutting owners for access to one of such streets or highways, unless otherwise excepted or excluded herein.

(d) Defects, liens, encumbrances, adverse claims against the title as insured or other matters (1) created, suffered, assumed or agreed to by the Insured claiming loss or damage; or (2) known to the Insured Claimant either at the date of this policy or at the date such Insured Claimant acquired an estate or interest insured by this policy and not shown by the public records, unless disclosure thereof in writing by the Insured shall have been made to the Company prior to the date of this policy; or (3) resulting in no loss to the Insured Claimant; or (4) attaching or created subsequent to the date hereof.

(e) Loss or damage which would not have been sustained if the Insured were a purchaser of encumbrancer for value without knowledge.

4. DEFENSE AND PROSECUTION OF ACTIONS — NOTICE OF CLAIM TO BE GIVEN BY THE INSURED

(a) The Company, at its own cost and without undue delay shall provide (1) for the defense of the Insured in all litigation consisting of actions or proceedings commenced against the Insured, or defenses, restraining orders, or injunctions interposed against a foreclosure or sale of the mortgage and indebtedness covered by this policy or a sale of the estate or interest in said land; or (2) for such action as may be appropriate to establish the title of the estate or interest or the lien of the mortgage as insured, which litigation or action in any of such events is founded upon an alleged defect, lien or encumbrance insured against by this policy, and may pursue any litigation to final determination in the court of last resort.

(b) In case any such action or proceeding shall be begun, or defense interposed, or in case knowledge shall come to the Insured of any claim of title or interest which is adverse to the title of the estate or interest or lien of the mortgage as insured, or which might cause loss or damage for which the Company shall or may be liable by virtue of this policy, or if the Insured shall in good faith contract to sell the indebtedness secured by a mortgage covered by this policy, or, if an Insured in good faith leases or contracts to sell, lease or mortgage the same, or if the successful bidder at a foreclosure sale under a mortgage covered by this policy refuses to purchase and in any such event the title to said estate or interest is rejected as unmarketable, the Insured shall notify the Company thereof in writing. If such notice shall not be given to the Company within ten days of the receipt of process or pleadings or if the Insured shall not, in writing, promptly notify the Company of any de-

fect, lien or encumbrance insured against which shall come to the knowledge of the Insured, or if the Insured shall not, in writing, promptly notify the Company of any such rejection by reason of claimed unmarketability of title, then all liability of the Company in regard to the subject matter of such action, proceeding or matter shall cease and terminate; provided, however, that failure to notify shall in no case prejudice the claim of any Insured unless the Company shall be actually prejudiced by such failure and then only to the extent of such prejudice.

(c) The Company shall have the right at its own cost to institute and prosecute any action or proceeding or do any other act which in its opinion may be necessary or desirable to establish the title of the estate or interest or the lien of the mortgage as insured; and the Company may take any appropriate action under the terms of this policy whether or not it shall be liable thereunder and shall not thereby concede liability or waive any provision of this policy.

(d) In all cases where this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding, the Insured shall secure to it the right to so prosecute or provide defense in such action or proceeding, and all appeals therein, and permit it to use, at its option, the name of the Insured for such purpose. Whenever requested by the Company the Insured shall give the Company all reasonable aid in any such action or proceeding, in effecting settlement, securing evidence, obtaining witnesses, or prosecuting or defending such action or proceeding, and the Company shall reimburse the Insured for any expense so incurred.

5. NOTICE OF LOSS — LIMITATION OF ACTION

In addition to the notices required under paragraph 4(b), a statement in writing of any loss or damage for which it is claimed the Company is liable under this policy shall be furnished to the Company within sixty days after such loss or damage shall have been determined and no right of action shall accrue to the Insured under this policy until thirty days after such statement shall have been furnished, and no recovery shall be had by the Insured under this policy unless action shall be commenced thereon within five years after expiration of said thirty day period. Failure to furnish such statement of loss or damage, or to commence such action within the time hereinbefore specified, shall be a conclusive bar against maintenance by the Insured of any action under this policy.

6. OPTION TO PAY, SETTLE OR COMPROMISE CLAIMS

The Company shall have the option to pay or settle or compromise for or in the name of the Insured any claim insured against or to pay the full amount of this policy, or, in case loss is claimed under this policy by the owner of the indebtedness secured by a mortgage covered by this policy, the Company shall have the option to purchase said indebtedness; such purchase, payment or tender of payment of

(Conditions and Stipulations Continued and Concluded on Last Page of This Policy)

CONDITIONS AND STIPULATIONS (Continued and Concluded From Reverse Side of Policy Face)

the full amount of this policy, together with all costs, attorneys' fees and expenses which the Company is obligated hereunder to pay, shall terminate all liability of the Company hereunder. In the event, after notice of claim has been given to the Company by the Insured, the Company offers to purchase said indebtedness, the owner of such indebtedness shall transfer and assign said indebtedness and the mortgage securing the same to the Company upon payment of the purchase price.

7. PAYMENT OF LOSS

(a) The liability of the Company under this policy shall in no case exceed, in all, the actual loss of the Insured and costs and attorneys' fees which the Company may be obligated hereunder to pay.

(b) The Company will pay, in addition to any loss insured against by this policy, all costs imposed upon the Insured in litigation carried on by the Company for the Insured, and all costs and attorneys' fees in litigation carried on by the Insured with the written authorization of the Company.

(c) No claim for damages shall arise or be maintainable under this policy (1) if the Company, after having received notice of an alleged defect, lien or encumbrance not excepted or excluded herein removes such defect, lien or encumbrance within a reasonable time after receipt of such notice, or (2) for liability voluntarily assumed by the Insured in settling any claim or suit without written consent of the Company, or (3) in the event the title is rejected as unmarketable because of a defect, lien or encumbrance not excepted or excluded in this policy, until there has been a final determination by a court of competent jurisdiction sustaining such rejection.

(d) All payments under this policy, except payments made for costs, attorneys' fees and expenses, shall reduce the amount of the insurance pro tanto and no payment shall be made without producing this policy for endorsement of such payment unless the policy be lost or destroyed, in which case proof of such loss or destruction shall be furnished to the satisfaction of the Company; provided, however, if the owner of

an indebtedness secured by a mortgage shown in Schedule B is an Insured herein then such payments shall not reduce pro tanto the amount of the insurance afforded hereunder as to such Insured, except to the extent that such payments reduce the amount of the indebtedness secured by such mortgage. Payment in full by any person or voluntary satisfaction or release by the Insured of a mortgage covered by this policy shall terminate all liability of the Company to the insured owner of the indebtedness secured by such mortgage, except as provided in paragraph 2 hereof.

(e) When liability has been definitely fixed in accordance with the conditions of this policy the loss or damage shall be payable within thirty days thereafter.

8. LIABILITY NONCUMULATIVE

It is expressly understood that the amount of this policy is reduced by any amount the Company may pay under any policy insuring the validity or priority of any mortgage shown or referred to in Schedule B hereof or any mortgage hereafter executed by the Insured which is a charge or lien on the estate or interest described or referred to in Schedule A, and the amount so paid shall be deemed a payment to the Insured under this policy. The provisions of this paragraph numbered 8 shall not apply to an Insured owner of an indebtedness secured by a mortgage shown in Schedule B unless such Insured acquires title to said estate or interest in satisfaction of said indebtedness or any part thereof.

9. SUBROGATION UPON PAYMENT OR SETTLEMENT

Whenever the Company shall have settled a claim under this policy, all right of subrogation shall vest in the Company unaffected by any act of the Insured, and it shall be subrogated to and be entitled to all rights and remedies which the Insured would have had against any person or property in respect to such claim had this policy not been issued. If the payment does not cover the loss of the Insured, the Company shall be subrogated to such rights and remedies in the proportion which said payment bears to the amount of said loss. If

loss should result from any act of the Insured, such act shall not void this policy, but the Company, in that event, shall be required to pay only that part of any losses insured against hereunder which shall exceed the amount, if any, lost to the Company by reason of the impairment of the right of subrogation. The Insured, if requested by the Company, shall transfer to the Company all rights and remedies against any person or property necessary in order to perfect such right of subrogation, and shall permit the Company to use the name of the Insured in any transaction or litigation involving such rights or remedies.

If the Insured is the owner of the indebtedness secured by a mortgage covered by this policy, such Insured may release or substitute the personal liability of any debtor or guarantor, or extend or otherwise modify the terms of payment, or release a portion of the estate or interest from the lien of the mortgage, or release any collateral security for the indebtedness, provided such act does not result in any loss of priority of the lien of the mortgage.

10. POLICY ENTIRE CONTRACT

Any action or actions or rights of action that the Insured may have or may bring against the Company arising out of the status of the lien of the mortgage covered by this policy or the title of the estate or interest insured herein must be based on the provisions of this policy.

No provision or condition of this policy can be waived or changed except by writing endorsed hereon or attached hereto signed by the President, a Vice President, the Secretary, an Assistant Secretary or other validating officer of the Company.

11. NOTICES, WHERE SENT

All notices required to be given the Company and any statement in writing required to be furnished the Company shall be addressed to it at the office which issued this policy or to its Home Office, 433 South Spring Street, Los Angeles 54, California.

12. THE PREMIUM SPECIFIED IN SCHEDULE A IS THE ENTIRE CHARGE FOR TITLE SEARCH, TITLE EXAMINATION AND TITLE INSURANCE.

Property D

Current Owner/Title: City of Simi Valley
Transfer to City of Simi Valley for Governmental Use

The date of the acquisition of the property and the value of the property at that time, and an estimate of the current value of the property

- Property was acquired by the City of Simi Valley in April 1972 from James Lynch
- Purchase price of \$46,217
- Current estimate of value - \$8,053,646 (\$161 psf building; \$26.50 psf land)

The purpose for which the property was acquired

Property was acquired for the planned development of the Simi Valley Civic Center. At the time of acquisition by the City of Simi Valley, the property was used for agricultural purposes.

The property currently contains approximately half of the Simi Valley Police Facility, required surface parking for the Simi Valley Police Facility, and public open space for the Simi Valley Civic Center including the entry monument sign for the Civic Center. The property is located at the northwest corner of Tapo Canyon Road and Alamo Street. To the immediate north of the property is Simi Valley City Hall. The south and east property lines are public right-of-way (Alamo Street and Tapo Canyon Road respectively) and properties to the west and north are under ownership of the City of Simi Valley.

Parcel data, including address, lot size, and current zoning in the former redevelopment plan or specific plan, community or general plan

- APN 616-0-080-44 (partial); at acquisition, the APN was 616-0-080-19
- Parcel at acquisition was 3.49 acres
- Zoning is CC (Civic Center Zone)
- Simi Valley Police Facility address is 3901 Alamo Street

An estimate of the current value of the parcel including, if available, any appraisal information

Current estimate of value is \$8,053,646. Property is part of a development application approved for the construction of the Simi Valley Police Facility. Because the property is part of this development application, the property is unavailable for future development. The parcel is fully encumbered, is not developable, and provides required parking for the Police Facility and is being use for a public purpose. No known appraisals exist for this property.

An estimate of any lease, rental, or any other revenues generated by the property, and a description of the contractual requirements for the disposition of those funds

No revenues are generated from this property.

The history of environmental contamination, including designation as a brownfield site, any related environmental studies, and history of any remediation

No record of environmental studies

A description of the property's potential for transit oriented development and the advancement of the planning objectives of the successor agency

The property has no potential for a transit-oriented development as the property is not of adequate size to accommodate a transit-oriented development and is not located adjacent to a fully integrated, multi-modal transportation network.

A brief history of previous development proposals and activity, including the rental or lease of property

Property was vacant at time of acquisition and use for agriculture.

Address the use or disposition of all of the properties in the Fund.

Disposition of the property is the transfer to City for governmental use as public parking and continued use as the Simi Valley Police Facility and required surface parking for the Police Facility and other Civic Center facilities. The property was acquired in 1972 by the City of Simi Valley and the City still holds title to this property. As the SVCDA was not formed until 1974, the property could not have been acquired by the SVCDA. The property was misclassified in the City of Simi Valley and SVCDA audits as being under ownership of the SVCDA. The property is to remain under the ownership of the City of Simi Valley.

CONDITIONS AND STIPULATIONS

1. DEFINITION OF TERMS

The following terms when used in this policy mean:

(a) "land": the land described, specifically or by reference, in Schedule C and improvements affixed thereto which by law constitute real property;

(b) "public records": those records which impart constructive notice of matters relating to said land;

(c) "knowledge": actual knowledge, not constructive knowledge or notice which may be imputed to the Insured by reason of any public records;

(d) "date": the effective date;

(e) "mortgage": mortgage, deed of trust, trust deed, or other security instrument; and

(f) "insured": the party or parties named as Insured, and if the owner of the indebtedness secured by a mortgage shown in Schedule B is named as an Insured in Schedule A, the Insured shall include (1) each successor in interest in ownership of such indebtedness, (2) any such owner who acquires the estate or interest referred to in this policy by foreclosure, trustee's sale, or other legal manner in satisfaction of said indebtedness, and (3) any federal agency or instrumentality which is an insurer or guarantor under an insurance contract or guaranty insuring or guaranteeing said indebtedness, or any part thereof, whether named as an insured herein or not, subject otherwise to the provisions hereof.

2. BENEFITS AFTER ACQUISITION OF TITLE

If an insured owner of the indebtedness secured by a mortgage described in Schedule B acquires said estate or interest, or any part thereof, by foreclosure, trustee's sale, or other legal manner in satisfaction of said indebtedness, or any part thereof, or if a federal agency or instrumentality acquires said estate or interest, or any part thereof, as a consequence of an insurance contract or guaranty insuring or guaranteeing the indebtedness secured by a mortgage covered by this policy, or any part thereof, this policy shall continue in force in favor of such Insured, agency or instrumentality, subject to all of the conditions and stipulations hereof.

3. EXCLUSIONS FROM THE COVERAGE OF THIS POLICY

This policy does not insure against loss or damage by reasons of the following:

(a) Any law, ordinance or governmental regulation (including but not limited to building and zoning ordinances) restricting or regulating or prohibiting the occupancy, use or enjoyment of the land, or regulating the character, dimensions, or location of any improvement now or hereafter erected on said land, or prohibiting a separation in ownership or a reduction in the dimensions or area of any lot or parcel of land.

(b) Governmental rights of police power or eminent domain unless notice of the exercise of such rights appears in the public records at the date hereof.

(c) Title to any property beyond the lines of the land expressly described in Schedule C, or title to streets, roads, avenues, lanes, ways or waterways on which

such land abuts, or the right to maintain therein vaults, tunnels, ramps or any other structure or improvement; or any rights or easements therein unless this policy specifically provides that such property, rights or easements are insured, except that if the land abuts upon one or more physically open streets or highways this policy insures the ordinary rights of adjoining owners for access to one of such streets or highways, unless otherwise excepted or excluded herein.

(d) Defects, liens, encumbrances, adverse claims against the title as insured or other matters (1) created, suffered, assumed or agreed to by the Insured claiming loss or damage; or (2) known to the Insured Claimant either at the date of this policy or at the date such Insured Claimant acquired an estate or interest insured by this policy and not shown by the public records, unless disclosure thereof in writing by the Insured shall have been made to the Company prior to the date of this policy; or (3) resulting in no loss to the Insured Claimant; or (4) attaching or created subsequent to the date hereof.

(e) Loss or damage which would not have been sustained if the Insured were a purchaser or encumbrancer for value without knowledge.

4. DEFENSE AND PROSECUTION OF ACTIONS ---NOTICE OF CLAIM TO BE GIVEN BY THE INSURED

(a) The Company, at its own cost and without undue delay shall provide (1) for the defense of the Insured in all litigation consisting of actions or proceedings commenced against the Insured, or defenses, restraining orders, or injunctions interposed against a foreclosure or sale of the mortgage and indebtedness covered by this policy or a sale of the estate or interest in said land; or (2) for such action as may be appropriate to establish the title of the estate or interest or the lien of the mortgage as insured, which litigation or action in any of such events is founded upon an alleged defect, lien or encumbrance insured against by this policy, and may pursue any litigation to final determination in the court of last resort.

(b) In case any such action or proceeding shall be begun, or defense interposed, or in case knowledge shall come to the Insured of any claim of title or interest which is adverse to the title of the estate or interest or lien of the mortgage as insured, or which might cause loss or damage for which the Company shall or may be liable by virtue of this policy, or if the Insured shall in good faith contract to sell the indebtedness secured by a mortgage covered by this policy, or, if an Insured in good faith leases or contracts to sell, lease or mortgage the same, or if the successful bidder at a foreclosure sale under a mortgage covered by this policy refuses to purchase and in any such event the title to said estate or interest is rejected as unmarketable, the Insured shall notify the Company thereof in writing. If such notice shall not be given to the Company within ten days of the receipt of process or pleadings or if the Insured shall not, in writing, promptly notify the Company of any de-

fect, lien or encumbrance insured against which shall come to the knowledge of the Insured, or if the Insured shall not, in writing, promptly notify the Company of any such rejection by reason of claimed unmarketability of title, then all liability of the Company in regard to the subject matter of such action, proceeding or matter shall cease and terminate; provided, however, that failure to notify shall in no case prejudice the claim of any Insured unless the Company shall be actually prejudiced by such failure and then only in the extent of such prejudice.

(c) The Company shall have the right at its own cost to institute and prosecute any action or proceeding or do any other act which in its opinion may be necessary or desirable to establish the title of the estate or interest or the lien of the mortgage as insured; and the Company may take any appropriate action under the terms of this policy whether or not it shall be liable thereunder and shall not thereby concede liability or waive any provision of this policy.

(d) In all cases where this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding, the Insured shall secure to it the right to so prosecute or provide defense in such action or proceeding, and all appeals therein, and permit it to use, at its option, the name of the Insured for such purpose. Whenever requested by the Company the Insured shall give the Company all reasonable aid in any such action or proceeding, in effecting settlement, securing evidence, obtaining witnesses, or prosecuting or defending such action or proceeding, and the Company shall reimburse the Insured for any expense so incurred.

5. NOTICE OF LOSS --- LIMITATION OF ACTION

In addition to the notices required under paragraph 4(b), a statement in writing of any loss or damage for which it is claimed the Company is liable under this policy shall be furnished to the Company within sixty days after such loss or damage shall have been determined, and no right of action shall accrue to the Insured under this policy until thirty days after such statement shall have been furnished, and no recovery shall be had by the Insured under this policy unless action shall be commenced thereon within five years after expiration of said thirty day period. Failure to furnish such statement of loss or damage, or to commence such action within the time hereinbefore specified, shall be a conclusive bar against maintenance by the Insured of any action under this policy.

6. OPTION TO PAY, SETTLE OR COMPROMISE CLAIMS

The Company shall have the option to pay or settle or compromise for or in the name of the Insured any claim insured against or to pay the full amount of this policy, or, in case loss is claimed under this policy by the owner of the indebtedness secured by a mortgage covered by this policy, the Company shall have the option to purchase said indebtedness; such purchase, payment or tender of payment of

(Conditions and Stipulations Continued and Concluded on Lost Page of This Policy)

CONDITIONS AND STIPULATIONS (Continued and Concluded From Reverse Side of Policy Face)

the full amount of this policy, together with all costs, attorneys' fees and expenses which the Company is obligated hereunder to pay, shall terminate all liability of the Company hereunder. In the event, after notice of claim has been given to the Company by the Insured, the Company offers to purchase said indebtedness, the owner of such indebtedness shall transfer and assign said indebtedness and the mortgage securing the same to the Company upon payment of the purchase price.

7. PAYMENT OF LOSS

(a) The liability of the Company under this policy shall in no case exceed, in all, the actual loss of the Insured and costs and attorneys' fees which the Company may be obligated hereunder to pay.

(b) The Company will pay, in addition to any loss insured against by this policy, all costs imposed upon the Insured in litigation carried on by the Company for the Insured, and all costs and attorneys' fees in litigation carried on by the Insured with the written authorization of the Company.

(c) No claim for damages shall arise or be maintainable under this policy (1) if the Company, after having received notice of an alleged defect, lien or encumbrance not excepted or excluded herein removes such defect, lien or encumbrance within a reasonable time after receipt of such notice, or (2) for liability voluntarily assumed by the Insured in settling any claim or suit without written consent of the Company, or (3) in the event the title is rejected as unmarketable because of a defect, lien or encumbrance not excepted or excluded in this policy, until there has been a final determination by a court of competent jurisdiction sustaining such rejection.

(d) All payments under this policy, except payments made for costs, attorneys' fees and expenses, shall reduce the amount of the insurance pro tanto and no payment shall be made without producing this policy for endorsement of such payment unless the policy be lost or destroyed, in which case proof of such loss or destruction shall be furnished to the satisfaction of the Company; provided, however, if the owner of

an indebtedness secured by a mortgage shown in Schedule B is an Insured herein then such payments shall not reduce pro tanto the amount of the insurance afforded hereunder as to such Insured, except to the extent that such payments reduce the amount of the indebtedness secured by such mortgage. Payment in full by any person or voluntary satisfaction or release by the Insured of a mortgage covered by this policy shall terminate all liability of the Company to the insured owner of the indebtedness secured by such mortgage, except as provided in paragraph 2 hereof.

(e) When liability has been definitely fixed in accordance with the conditions of this policy the loss or damage shall be payable within thirty days thereafter.

8. LIABILITY NONCUMULATIVE

It is expressly understood that the amount of this policy is reduced by any amount the Company may pay under any policy insuring the validity or priority of any mortgage shown or referred to in Schedule B hereof or any mortgage hereafter executed by the Insured which is a charge or lien on the estate or interest described or referred to in Schedule A, and the amount so paid shall be deemed a payment to the Insured under this policy. The provisions of this paragraph numbered 8 shall not apply to an Insured owner of an indebtedness secured by a mortgage shown in Schedule B unless such Insured acquires title to said estate or interest in satisfaction of said indebtedness or any part thereof.

9. SUBROGATION UPON PAYMENT OR SETTLEMENT

Whenever the Company shall have settled a claim under this policy, all right of subrogation shall vest in the Company unaffected by any act of the Insured, and it shall be subrogated to and be entitled to all rights and remedies which the Insured would have had against any person or property in respect to such claim had this policy not been issued. If the payment does not cover the loss of the Insured, the Company shall be subrogated to such rights and remedies in the proportion which said payment bears to the amount of said loss. If

loss should result from any act of the Insured, such act shall not void this policy, but the Company, in that event, shall be required to pay only that part of any losses insured against hereunder which shall exceed the amount, if any, lost to the Company by reason of the impairment of the right of subrogation. The Insured, if requested by the Company, shall transfer to the Company all rights and remedies against any person or property necessary in order to perfect such right of subrogation, and shall permit the Company to use the name of the Insured in any transaction or litigation involving such rights or remedies.

If the Insured is the owner of the indebtedness secured by a mortgage covered by this policy, such Insured may release or substitute the personal liability of any debtor or guarantor, or extend or otherwise modify the terms of payment, or release a portion of the estate or interest from the lien of the mortgage, or release any collateral security for the indebtedness, provided such act does not result in any loss of priority of the lien of the mortgage.

10. POLICY ENTIRE CONTRACT

Any action or actions or rights of action that the Insured may have or may bring against the Company arising out of the status of the lien of the mortgage covered by this policy or the title of the estate or interest insured herein must be based on the provisions of this policy.

No provision or condition of this policy can be waived or changed except by writing endorsed hereon or attached hereto signed by the President, a Vice President, the Secretary, an Assistant Secretary or other validating officer of the Company.

11. NOTICES, WHERE SENT

All notices required to be given the Company and any statement in writing required to be furnished the Company shall be addressed to it at the office which issued this policy or to its Home Office, 433 South Spring Street, Los Angeles 54, California.

12. THE PREMIUM SPECIFIED IN SCHEDULE A IS THE ENTIRE CHARGE FOR TITLE SEARCH, TITLE EXAMINATION AND TITLE INSURANCE.

- Current estimate of value - \$35,124,813 (\$161 psf building; \$26.50 psf land)

Property was acquired for the planned development of the Simi Valley Civic Center. At the time of acquisition by the City of Simi Valley, the property was one parcel located north of Alamo Street just east of the Arroyo Del Tapo channel in Simi Valley. The property was subdivided into two parcels and the northern portion of the property was transferred to the County of Ventura for the development of the County of Ventura East County Courthouse. The southern portion of the property was retained by the City of Simi Valley for the development of the Development Services Building and the Department of Motor Vehicles facility. At this time, the County of Ventura East County Courthouse remains on the north portion of the property (under ownership of the County of Ventura) and Development Service Building is located on the south (under ownership of the City of Simi Valley). The Development Services Building currently houses one City Department (Department of Community Services). The properties contain the respective buildings for their uses, required surface public parking, and common areas. The south property line is public right-of-way (Alamo Street), to the north if property under private ownership used for residential housing and a Property H of the Plan, to the east is under ownership of the City of Simi Valley, and to the west is the Arroyo Del Tapo flood control channel and the Rancho Tapo Community Park under ownership of the Rancho Simi Recreation and Park District.

Parcel data, including address, lot size, and current zoning in the former redevelopment plan or specific plan, community or general plan

- APN 616-0-080-43 and a partial portion of 616-0-080-45; at acquisition, the APN was 616-0-080-21.
- Parcel at acquisition was 15.32 acres
- Zoning is CC (Civic Center Zone)
- Development Services Building address is 3855A Alamo Street, Department of Motor Vehicles' address is 3855D Alamo Street, and County of Ventura East County Courthouse address is 3855C Alamo Street

An estimate of the current value of the parcel including, if available, any appraisal information

Current estimate of value is \$35,124,813. Property is part of the development applications approved for the construction of the Simi Valley Development Services Building, the Department of Motor Vehicles' building, and the County of Ventura East County Courthouse. Because the property is part of these development applications, the property is unavailable for future development. The parcel is fully encumbered, is not developable, and provides required parking for the above noted government uses and is being use for a public purpose. No known appraisals exist for this property.

An estimate of any lease, rental, or any other revenues generated by the property, and a description of the contractual requirements for the disposition of those funds

The City of Simi Valley has entered into a lease with the State of California for the use of the portion of the property that houses the Department of Motor Vehicles facility. That lease generates \$12,025 monthly to the City of Simi Valley.

The City of Simi Valley is in the process of vacating the Development Services Building, which is located on the southern portion of the property. The City of Simi Valley has entered into a lease with the Simi Valley Community Foundation for the operation of the Under One Roof facility. The Under One Roof facility will bring together social services that serve the Simi Valley area as a one-stop for assistance. The main tenant of the Under One Roof facility is the Simi Valley Free Clinic, which provides medical, dental, legal, and counseling services to those in need. The lease entered into on August 26, 2013 is for \$1.00 per year. As the City of Simi Valley is still occupying a portion of the Development Services Building, the Simi Valley Community Foundation will not take possession of the building under the City vacates the space, expected to take place in Aril 2014.

The history of environmental contamination, including designation as a brownfield site, any related environmental studies, and history of any remediation

No record of environmental studies

A description of the property's potential for transit oriented development and the advancement of the planning objectives of the successor agency

The property has no potential for a transit-oriented development.

A brief history of previous development proposals and activity, including the rental or lease of property

Property housed the remnants of the Ojai-Tapo Citrus packing facility at time of acquisition and was used for agriculture.

Address the use or disposition of all of the properties in the Fund.

Disposition of the property is the transfer to City for governmental use as public parking and continued use as the Department of Motor Vehicles facility and the County of Ventura East County Courthouse. The property was acquired in 1972 by the City of Simi Valley and the City still holds title to the southern portion of the property. As the SVCDA was not formed until 1974, the property could not have been acquired by the SVCDA. The property was misclassified in the City of Simi Valley and SVCDA audits as being under ownership of the SVCDA. The southern portion of the property is to remain under the ownership of the City of Simi Valley for use as Development Services Building/Under One Roof facility and the Department of Motor Vehicles facility. The northern portion of the property will remain under ownership of the County of Ventura for use as the County of Ventura East County Courthouse and other governmental uses.

CONDITIONS AND STIPULATIONS

1. DEFINITION OF TERMS

The following terms when used in this policy mean:

(a) "land": the land described, specifically or by reference, in Schedule C and improvements affixed thereto which by law constitute real property;

(b) "public records": those records which impart constructive notice of matters relating to said land;

(c) "knowledge": actual knowledge, not constructive knowledge or notice which may be imputed to the Insured by reason of any public records;

(d) "date": the effective date;

(e) "mortgage": mortgage, deed of trust, trust deed, or other security instrument; and

(f) "insured": the party or parties named as Insured, and if the owner of the indebtedness secured by a mortgage shown in Schedule B is named as an Insured in Schedule A, the Insured shall include (1) each successor in interest in ownership of such indebtedness, (2) any such owner who acquires the estate or interest referred to in this policy by foreclosure, trustee's sale, or other legal manner in satisfaction of said indebtedness, and (3) any federal agency or instrumentality which is an insurer or guarantor under an insurance contract or guaranty insuring or guaranteeing said indebtedness, or any part thereof, whether named as an insured herein or not, subject otherwise to the provisions hereof.

2. BENEFITS AFTER ACQUISITION OF TITLE

If an insured owner of the indebtedness secured by a mortgage described in Schedule B acquires said estate or interest, or any part thereof, by foreclosure, trustee's sale, or other legal manner in satisfaction of said indebtedness, or any part thereof, or if a federal agency or instrumentality acquires said estate or interest, or any part thereof, as a consequence of an insurance contract or guaranty insuring or guaranteeing the indebtedness secured by a mortgage covered by this policy, or any part thereof, this policy shall continue in force in favor of such Insured, agency or instrumentality, subject to all of the conditions and stipulations hereof.

3. EXCLUSIONS FROM THE COVERAGE OF THIS POLICY

This policy does not insure against loss or damage by reasons of the following:

(a) Any law, ordinance or governmental regulation (including but not limited to building and zoning ordinances) restricting or regulating or prohibiting the occupancy, use or enjoyment of the land, or regulating the character, dimensions, or location of any improvement now or hereafter erected on said land, or prohibiting a separation in ownership or a reduction in the dimensions or area of any lot or parcel of land.

(b) Governmental rights of police power or eminent domain unless notice of the exercise of such rights appears in the public records at the date hereof.

(c) Title to any property beyond the lines of the land expressly described in Schedule C, or title to streets, roads, avenues, lanes, ways or waterways on which

such land abuts, or the right to maintain therein vaults, tunnels, ramps or any other structure or improvement, or any rights or easements therein unless this policy specifically provides that such property, rights or easements are insured, except that if the land abuts upon one or more physically open streets or highways this policy insures the ordinary rights of abutting owners for access to one of such streets or highways, unless otherwise excepted or excluded herein.

(d) Defects, liens, encumbrances, adverse claims against the title as insured or other matters (1) created, suffered, assumed or agreed to by the Insured claiming loss or damage; or (2) known to the Insured Claimant either at the date of this policy or at the date such Insured Claimant acquired an estate or interest insured by this policy and not shown by the public records, unless disclosure thereof in writing by the Insured shall have been made to the Company prior to the date of this policy; or (3) resulting in no loss to the Insured Claimant; or (4) attaching or created subsequent to the date hereof.

(e) Loss or damage which would not have been sustained if the Insured were a purchaser or encumbrances for value without knowledge.

4. DEFENSE AND PROSECUTION OF ACTIONS — NOTICE OF CLAIM TO BE GIVEN BY THE INSURED

(a) The Company, at its own cost and without undue delay shall provide (1) for the defense of the Insured in all litigation consisting of actions or proceedings commenced against the Insured, or defenses, restraining orders, or injunctions interposed against a foreclosure or sale of the mortgage and indebtedness covered by this policy or a sale of the estate or interest in said land; or (2) for such action as may be appropriate to establish the title of the estate or interest or the lien of the mortgage as insured, which litigation or action in any of such events is founded upon an alleged defect, lien or encumbrance insured against by this policy, and may pursue any litigation to final determination in the court of last resort.

(b) In case any such action or proceeding shall be begun, or defense interposed, or in case knowledge shall come to the Insured of any claim of title or interest which is adverse to the title of the estate or interest or lien of the mortgage as insured, or which might cause loss or damage for which the Company shall or may be liable by virtue of this policy, or if the Insured shall in good faith contract to sell the indebtedness secured by a mortgage covered by this policy, or if an Insured in good faith leases or contracts to sell, lease or mortgage the same, or if the successful bidder at a foreclosure sale under a mortgage covered by this policy refuses to purchase and in any such event the title to said estate or interest is rejected as unmarketable, the Insured shall notify the Company thereof in writing. If such notice shall not be given to the Company within ten days of the receipt of process or pleadings or if the Insured shall not, in writing, promptly notify the Company of any de-

fect, lien or encumbrance insured against which shall come to the knowledge of the Insured, or if the Insured shall not, in writing, promptly notify the Company of any such rejection by reason of claimed unmarketability of title, then all liability of the Company in regard to the subject matter of such action, proceeding or matter shall cease and terminate; provided, however, that failure to notify shall in no case prejudice the claim of any Insured unless the Company shall be actually prejudiced by such failure and then only to the extent of such prejudice.

(c) The Company shall have the right at its own cost to institute and prosecute any action or proceeding or do any other act which in its opinion may be necessary or desirable to establish the title of the estate or interest or the lien of the mortgage as insured; and the Company may take any appropriate action under the terms of this policy whether or not it shall be liable thereunder and shall not thereby concede liability or waive any provision of this policy.

(d) In all cases where this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding, the Insured shall secure in it the right to so prosecute or provide defense in such action or proceeding, and all appeals therein, and permit it to use, at its option, the name of the Insured for such purpose. Whenever requested by the Company the Insured shall give the Company all reasonable aid in any such action or proceeding, in effecting settlement, securing evidence, obtaining witnesses, or prosecuting or defending such action or proceeding, and the Company shall reimburse the Insured for any expense so incurred.

5. NOTICE OF LOSS — LIMITATION OF ACTION

In addition to the notices required under paragraph 4(b), a statement in writing of any loss or damage for which it is claimed the Company is liable under this policy shall be furnished to the Company within sixty days after such loss or damage shall have been determined, and no right of action shall accrue to the Insured under this policy until thirty days after such statement shall have been furnished, and no recovery shall be had by the Insured under this policy unless action shall be commenced thereon within five years after expiration of said thirty day period. Failure to furnish such statement of loss or damage, or to commence such action within the time hereinbefore specified, shall be a conclusive bar against maintenance by the Insured of any action under this policy.

6. OPTION TO PAY, SETTLE OR COMPROMISE CLAIMS

The Company shall have the option to pay or settle or compromise for or in the name of the Insured any claim insured against or to pay the full amount of this policy, or, in case loss is claimed under this policy by the owner of the indebtedness secured by a mortgage covered by this policy, the Company shall have the option to purchase said indebtedness; such purchase, payment or tender of payment of

CONDITIONS AND STIPULATIONS (Continued and Concluded From Reverse Side of Policy Face)

the full amount of this policy, together with all costs, attorneys' fees and expenses which the Company is obligated hereunder to pay, shall terminate all liability of the Company hereunder. In the event, after notice of claim has been given to the Company by the Insured, the Company offers to purchase said indebtedness, the owner of such indebtedness shall transfer and assign said indebtedness and the mortgage securing the same to the Company upon payment of the purchase price.

7. PAYMENT OF LOSS

(a) The liability of the Company under this policy shall in no case exceed, in all, the actual loss of the Insured and costs and attorneys' fees which the Company may be obligated hereunder to pay.

(b) The Company will pay, in addition to any loss insured against by this policy, all costs imposed upon the Insured in litigation carried on by the Company for the Insured, and all costs and attorneys' fees in litigation carried on by the Insured with the written authorization of the Company.

(c) No claim for damages shall arise or be maintainable under this policy (1) if the Company, after having received notice of an alleged defect, lien or encumbrance not excepted or excluded herein removes such defect, lien or encumbrance within a reasonable time after receipt of such notice, or (2) for liability voluntarily assumed by the Insured in settling any claim or suit without written consent of the Company, or (3) in the event the title is rejected as unmarketable because of a defect, lien or encumbrance not excepted or excluded in this policy, until there has been a final determination by a court of competent jurisdiction sustaining such rejection.

(d) All payments under this policy, except payments made for costs, attorneys' fees and expenses, shall reduce the amount of the insurance pro tanto and no payment shall be made without producing this policy for endorsement of such payment unless the policy be lost or destroyed, in which case proof of such loss or destruction shall be furnished to the satisfaction of the Company; provided, however, if the owner of

an indebtedness secured by a mortgage shown in Schedule B is an Insured herein then such payments shall not reduce pro tanto the amount of the insurance afforded hereunder as to such Insured, except to the extent that such payments reduce the amount of the indebtedness secured by such mortgage. Payment in full by any person or voluntary satisfaction or release by the Insured of a mortgage covered by this policy shall terminate all liability of the Company to the insured owner of the indebtedness secured by such mortgage, except as provided in paragraph 2 hereof.

(e) When liability has been definitely fixed in accordance with the conditions of this policy the loss or damage shall be payable within thirty days thereafter.

8. LIABILITY NONCUMULATIVE

It is expressly understood that the amount of this policy is reduced by any amount the Company may pay under any policy insuring the validity or priority of any mortgage shown or referred to in Schedule B hereof or any mortgage hereafter executed by the Insured which is a charge or lien on the estate or interest described or referred to in Schedule A, and the amount so paid shall be deemed a payment to the Insured under this policy. The provisions of this paragraph numbered 8 shall not apply to an Insured owner of an indebtedness secured by a mortgage shown in Schedule B unless such Insured acquires title to said estate or interest in satisfaction of said indebtedness or any part thereof.

9. SUBROGATION UPON PAYMENT OR SETTLEMENT

Whenever the Company shall have settled a claim under this policy, all right of subrogation shall vest in the Company unaffected by any act of the Insured, and it shall be subrogated to and be entitled to all rights and remedies which the Insured would have had against any person or property in respect to such claim had this policy not been issued. If the payment does not cover the loss of the Insured, the Company shall be subrogated to such rights and remedies in the proportion which said payment bears to the amount of said loss. If

loss should result from any act of the Insured, such act shall not void this policy, but the Company, in that event, shall be required to pay only that part of any losses insured against hereunder which shall exceed the amount, if any, lost to the Company by reason of the impairment of the right of subrogation. The Insured, if requested by the Company, shall transfer to the Company all rights and remedies against any person or property necessary in order to perfect such right of subrogation, and shall permit the Company to use the name of the Insured in any transaction or litigation involving such rights or remedies.

If the Insured is the owner of the indebtedness secured by a mortgage covered by this policy, such Insured may release or substitute the personal liability of any debtor or guarantor, or extend or otherwise modify the terms of payment, or release a portion of the estate or interest from the lien of the mortgage, or release any collateral security for the indebtedness, provided such act does not result in any loss of priority of the lien of the mortgage.

10. POLICY ENTIRE CONTRACT

Any action or actions or rights of action that the Insured may have or may bring against the Company arising out of the status of the lien of the mortgage covered by this policy or the title of the estate or interest insured herein must be based on the provisions of this policy.

No provision or condition of this policy can be waived or changed except by writing endorsed hereon or attached hereto signed by the President, a Vice President, the Secretary, an Assistant Secretary or other validating officer of the Company.

11. NOTICES, WHERE SENT

All notices required to be given the Company and any statement in writing required to be furnished the Company shall be addressed to it at the office which issued this policy or to its Home Office, 433 South Spring Street, Los Angeles, California 90051.

12. THE PREMIUM SPECIFIED IN SCHEDULE A IS THE ENTIRE CHARGE FOR TITLE SEARCH, TITLE EXAMINATION AND TITLE INSURANCE.

Current Owner/Title: Simi Valley Community Development Agency
Retention for Future Development

The date of the acquisition of the property and the value of the property at that time, and an estimate of the current value of the property

- Property was acquired by the City of Simi Valley in August 2007 from Lawrence D. and Shirley A. Blasko for the Blasko Family Trust. The property was purchased by the Simi Valley Community Development Agency in June 2008.
- Purchase price at acquisition was \$400,000. Purchase price upon acquisition by the Simi Valley Community Development Agency was \$730,000
- Current estimate of value - \$1,021,591 (\$26.50 psf)

The purpose for which the property was acquired

Property was acquired for the planned expansion of the Simi Valley Civic Center for governmental uses. Property is located on Avenida Simi at the north side of the Simi Valley Civic Center. Property to the south and east is under government ownership (County of Ventura and City of Simi Valley respectively) and the property fronts on the north to public right-of-way Avenida Simi. Property to the west is a single family detached housing unit.

Parcel data, including address, lot size, and current zoning in the former redevelopment plan or specific plan, community or general plan

- 616-0-080-20
- Formerly 3802 Avenida Simi, Simi Valley, CA
- Parcel is .885 acres
- Zoning is RM (Residential Medium)
- Property is currently vacant

An estimate of the current value of the parcel including, if available, any appraisal information

Current estimate of value is \$1,021,591. An appraisal was prepared by Riggs & Riggs Inc. in June 2007 in order to set a base value for the acquisition of the property by the City of Simi Valley. The appraisal concluded that the property highest and best use is As-Improved condition. At the time of the appraisal, the property was being used for a children's' day care center. The Fair Market Value of improved land was \$28.52 per square foot and the Fair Market Value of vacant land was \$19.00 per square foot. On a Cost Approach (the cost necessary to replace the improvements with a building or other improvements having same or equivalent utility, plus land value), the property was valued at

\$1,020,000. On a Sales Comparison Approach (an opinion of value determined by comparing it with similar or comparable properties which have recently sold), the property was valued at \$1,100,000. The appraisal came to a final conclusion of an appraised value of \$1,100,000.

An estimate of any lease, rental, or any other revenues generated by the property, and a description of the contractual requirements for the disposition of those funds

No revenues are generated from this property.

The history of environmental contamination, including designation as a brownfield site, any related environmental studies, and history of any remediation

Upon acquisition, the City of Simi Valley evaluated the single family detached housing unit for a burn exercise by the Ventura County Fire Protection District. The survey indicated that asbestos existed in the insulation within the attic area. Remediation of the asbestos was performed and the unit was cleared of environmental hazards.

A description of the property's potential for transit oriented development and the advancement of the planning objectives of the successor agency

There is currently a Simi Valley Transit bus turnout on property immediately to the east of this property. The property has no other potential for a transit-oriented development as the property is not of adequate size to accommodate a transit-oriented development and is not located adjacent to a fully integrated, multi-modal transportation network.

A brief history of previous development proposals and activity, including the rental or lease of property

Prior to the acquisition by the City of Simi Valley, the property had a single family detached residence. Housing unit was removed to provide for Civic Center and other governmental uses.

Address the use or disposition of all of the properties in the Fund.

Disposition of the property is the retention for future development. The City will enter into compensation agreements, as necessary, with taxing entities regarding the final disposition of the property pursuant to Health and Safety Code Section 34180(f).

MEMORANDUM

June 11, 2008

TO: City Council
Board of Directors, Ventura County Waterworks District No. 8
Board of Directors, Simi Valley Community Development Agency

FROM: Office of the City Manager/District Manager/Executive Director

SUBJECT: REVIEW AND ADOPTION OF FISCAL YEAR 2008-09 BUDGET; APPROVAL OF FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM FOR FISCAL YEARS 2008-09 TO 2012-13; ADOPTION OF RESOLUTION FOR EMPLOYEE CLASSIFICATION AND COMPENSATION CHANGES; AND APPROVAL OF TWO FY 2007-08 SUPPLEMENTAL BUDGET REQUESTS

RECOMMENDATION

It is recommended that the City Council/Boards of Directors:

1. Review and modify, as appropriate, the Fiscal Year 2008-09 Preliminary Base Budget and the Five-Year Capital Improvement Program for Fiscal Years 2008-09 to 2012-13;
2. Review the related Capital Asset Requests, Policy Items, and Reverse Priority Items contained in the Supporting Document;
3. Review the Simi Valley Transit budget in conjunction with the agenda item to consider the Fiscal Year 2008-09 Transit Program of Projects;
4. Review the Sanitation budget in conjunction with the public hearing item to consider possible rate increases;
5. Adopt the attached resolution (page 12) establishing classifications and salary ranges for Property Officer, Tree Trimmer I, Tree Trimmer II, Custodian, Senior Custodian, Senior Instrumentation Technician, and Waterworks Plant Operator;
6. Review the recommendations associated with the development-related workload review for the Environmental Services and Public Works Departments (Attachment A, page 14);
7. Approve a Supplemental Budget Request (Attachment B, page 27) amending the FY 2007-08 Streets and Roads Program;
8. Approve the transfer of City property located at 3802 Avenida Simi to the Simi Valley Community Development Agency and approve a Supplemental Budget Request (Attachment C, page 28) amending the FY 2007-08 General Fund, Tapo Canyon/West End Tax Increment Fund, and Development Agreements Fund Annual Budgets;

Government Code Section 65401. The Planning Commission adopted Resolution No. SVPC 10-2008, finding that each proposed major public works project for Fiscal Year 2008-09 is in conformance with the Simi Valley General Plan.

FY 2007-08 Streets and Roads Program Budget Adjustments

Subsequent to approval of the FY 2007-08 Annual Budget, the State of California allocated \$2,007,885 of Proposition 1B Local Street and Road Improvement Funds to the City of Simi Valley for its Streets and Roads Program. In order to make the maximum use of these funds and to preserve General Fund and New Dwelling Fees Fund monies for FY 2008-09 and future year Streets and Roads Program projects, it is recommended that a Supplemental Budget Request (Attachment B, page 27) be approved allocating an additional \$867,000 of Community Development Agency funds to the FY 2007-08 Annual Major Streets Rehabilitation project and the FY 2007-08 Minor Street Overlay project. Net CDA tax increment revenues in FY 2007-08 are projected to exceed the budget by \$2.4 million.

Transfer of Property located at 3802 Avenida Simi to the Community Development Agency

In October 2007, the City acquired property located at 3802 Avenida Simi. The parcel represented one of the few remaining privately owned parcels within the footprint of the Simi Valley Civic Center/Rancho Tapo Community Park (generally bordered by Avenida Simi on the north, Alamo Street on the South, Tapo Canyon Road on the east, and Lemon Drive on the west). Staff recommends that the property be transferred to the Community Development Agency and that the Agency transfer the value of the property, in the amount of \$730,000, from the Tapo Canyon/West End Tax Increment Fund to the General Fund and the Development Agreements Fund. Approval of the attached FY 2007-08 Supplemental Budget Request (Attachment C, page 28) will establish the budgetary authority to accomplish the transfer of funds. The Supplemental Budget Request also provides that the funds to be transferred to the Development Agreements Fund be appropriated to pay a portion of the FY 2007-08 General Fund cost of debt service.

The following alternatives are available to the City Council/Boards of Directors:

1. Review and modify, as appropriate, the Fiscal Year 2008-09 Preliminary Base Budget and the Five-Year Capital Improvement Program for Fiscal Years 2008-09 to 2012-13;
2. Review the related Capital Asset Requests, Policy Items, and Reverse Priority Items contained in the Supporting Document;
3. Review the Simi Valley Transit budget in conjunction with the agenda item to consider the Fiscal Year 2008-09 Transit Program of Projects;
4. Review the Sanitation budget in conjunction with the public hearing item to consider possible rate increases;
5. Adopt the attached resolution (page 12) establishing classifications and salary ranges for Property Officer, Tree Trimmer I, Tree Trimmer II, Custodian, Senior Custodian, Senior Instrumentation Technician, and Waterworks Plant Operator;

The 0.19-acre (8,276 square feet) City Parcel was acquired in 1988 and was intended to be part of the future development of the Club facility. The City Parcel is located adjacent to and is part of Rancho Tapo Community Park, which is owned and controlled by the Rancho Simi Recreation and Park District (Park District).

In May 1990, the City of Simi Valley and the Park District entered into a fifty-year (50) agreement to assemble the land needed for the construction of the Club facility. The agreement provides for the District to provide their property, combined with the City Parcel, to allow the City to "finance the acquisition, construction, maintenance, and operation of a community recreation center and improvements." In accordance with the agreement, the Park District is responsible for all grounds maintenance on the City Parcel. Further, the agreement provides that the City Parcel shall be incorporated into the Master Plan for Rancho Tapo Community Park.

The subject parcel is part of CC-S-4, Modification No. 2, the development application approved for the construction of the facility for the Boys and Girls Club of Simi Valley. Because the property is part of this development application, the property is unavailable for future development. The City Parcel is fully encumbered and is not developable.

The City Parcel is encumbered with a parking lot that is integrated into the Park District's community park, is part of the Rancho Tapo Community Park Master Plan providing required parking for the park and the Club facility, and is being use for a public purpose.

Address the use or disposition of all of the properties in the Fund.

Disposition of the property is the transfer to City of Simi Valley for governmental use as public parking for the Boys and Girls Club of Simi Valley and the Rancho Tapo Community Park. It is expected the property will then be transferred to Rancho Simi Recreation and Park District for governmental use per the existing agreement.
